AUTHORIZATION FOR USE AND DISCLOSURE OF MEDICAL INFORMATION

This authorization allows the healthcare provider(s) named below to release confidential medical information and records. Note: *Information and records regarding treatment of minors, HIV, psychiatric/mental health conditions, or alcohol/substance abuse have special rules that require specific authorization.*

AUTHORIZATION

I hereby authorize: _____
Physician/Healthcare Facility

To release information on _____(Patient's Name) _____(Patient's DOB) regarding my medical history, illness or injury, consultation, prescriptions, treatment, diagnosis or prognosis, including x-rays, correspondence and/or medical records including those from my other health care providers that the above named health care provider may hold, by means of mail, fax, or other electronic methods.

To: _____
Name

_____
Address

_____ _____ _____
City State Zip Code

The medical information/records will be used for the following purpose:

_____

This authorization is:

[ ] Unlimited (all records, excluding Substance Abuse, Mental Health, HIV Diagnosis/Treatment)

[ ] Limited to the following medical information:

_____

_____

_____

I also consent to the specific release of the following records:

Drug/Alcohol/Substance Abuse _____(initial)

Psychiatric/Mental Health _____(initial)

Tests for Antibodies to HIV _____(initial)

HIV Diagnosis/Treatment _____(initial)

Genetic Information _____(initial)

DURATION

This authorization shall be effective immediately and remain in effect until one year from signed date.
Date

RESTRICTIONS

Permissions for further use or disclosure of this medical information is not granted unless another authorization is obtained from me or unless such disclosure is specifically required or permitted by law.

A photocopy or facsimile of this authorization shall be considered as effective and valid as the original.

I have been advised of my right to receive a copy of this authorization.

ADVANCE DIRECTIVES

Physician Orders for Life-Sustaining Treatment (POLST) from and Five Wishes are acceptable if appropriately completed and signed by the necessary parties.

- ☐ Advance Directives Offered and Discussed Date: _____
- ☐ Decline Advance Directives Date: _____

HIPAA PERMITS DISCLOSURE OF POLST TO OTHER HEALTH CARE PROVIDERS AS NECESSARY

Physician Orders for Life-Sustaining Treatment (POLST)

EMSA #111 B
(Effective 4/1/2017)*

First follow these orders, then contact Physician/NP/PA. A copy of the signed POLST form is a legally valid physician order. Any section not completed implies full treatment for that section. **POLST complements an Advance Directive and is not intended to replace that document.**

Patient Last Name:	Date Form Prepared:
Patient First Name:	Patient Date of Birth:
Patient Middle Name:	Medical Record #: *(optional)*

A CARDIOPULMONARY RESUSCITATION (CPR): *If patient has no pulse and is not breathing.*

Check One

If patient is NOT in cardiopulmonary arrest, follow orders in Sections B and C.

☐ **Attempt Resuscitation/CPR** (Selecting CPR in Section A **requires** selecting Full Treatment in Section B)

☐ **Do Not Attempt Resuscitation/DNR** (Allow Natural Death)

B MEDICAL INTERVENTIONS: *If patient is found with a pulse and/or is breathing.*

Check One

☐ **Full Treatment – primary goal of prolonging life by all medically effective means.**
In addition to treatment described in Selective Treatment and Comfort-Focused Treatment, use intubation, advanced airway interventions, mechanical ventilation, and cardioversion as indicated.

☐ ***Trial Period of Full Treatment.***

☐ **Selective Treatment – goal of treating medical conditions while avoiding burdensome measures.**
In addition to treatment described in Comfort-Focused Treatment, use medical treatment, IV antibiotics, and IV fluids as indicated. Do not intubate. May use non-invasive positive airway pressure. Generally avoid intensive care.

☐ ***Request transfer to hospital only if comfort needs cannot be met in current location.***

☐ **Comfort-Focused Treatment – primary goal of maximizing comfort.**
Relieve pain and suffering with medication by any route as needed; use oxygen, suctioning, and manual treatment of airway obstruction. Do not use treatments listed in Full and Selective Treatment unless consistent with comfort goal. ***Request transfer to hospital only if comfort needs cannot be met in current location.***

Additional Orders: _____

C ARTIFICIALLY ADMINISTERED NUTRITION: *Offer food by mouth if feasible and desired.*

Check One

☐ Long-term artificial nutrition, including feeding tubes. Additional Orders: _____

☐ Trial period of artificial nutrition, including feeding tubes. _____

☐ No artificial means of nutrition, including feeding tubes. _____

D INFORMATION AND SIGNATURES:

Discussed with: ☐ Patient (Patient Has Capacity) ☐ Legally Recognized Decisionmaker

☐ Advance Directive dated _____, available and reviewed →

Additional Contact ☐ None

Name:	Relationship to Patient:	Phone #:

Directions for Health Care Provider

Completing POLST

- **Completing a POLST form is voluntary.** California law requires that a POLST form be followed by healthcare providers, and provides immunity to those who comply in good faith. In the hospital setting, a patient will be assessed by a physician, or a nurse practitioner (NP) or a physician assistant (PA) acting under the supervision of the physician, who will issue appropriate orders that are consistent with the patient's preferences.
- **POLST does not replace the Advance Directive.** When available, review the Advance Directive and POLST form to ensure consistency, and update forms appropriately to resolve any conflicts.
- POLST must be completed by a health care provider based on patient preferences and medical indications.
- A legally recognized decisionmaker may include a court-appointed conservator or guardian, agent designated in an Advance Directive, orally designated surrogate, spouse, registered domestic partner, parent of a minor, closest available relative, or person whom the patient's physician/NP/PA believes best knows what is in the patient's best interest and will make decisions in accordance with the patient's expressed wishes and values to the extent known.
- A legally recognized decisionmaker may execute the POLST form only if the patient lacks capacity or has designated that the decisionmaker's authority is effective immediately.
- To be valid, a POLST form must be signed by (1) a physician, or by a nurse practitioner or a physician assistant acting under the supervision of a physician and within the scope of practice authorized by law and (2) the patient or decisionmaker. Verbal orders are acceptable with follow-up signature by physician/NP/PA in accordance with facility/community policy.
- If a translated form is used with patient or decisionmaker, attach it to the signed English POLST form.
- Use of original form is strongly encouraged. Photocopies and FAXes of signed POLST forms are legal and valid. A copy should be retained in patient's medical record, on Ultra Pink paper when possible.

Using POLST

- Any incomplete section of POLST implies full treatment for that section.

Section A:

- If found pulseless and not breathing, no defibrillator (including automated external defibrillators) or chest compressions should be used on a patient who has chosen "Do Not Attempt Resuscitation."

Section B:

- When comfort cannot be achieved in the current setting, the patient, including someone with "Comfort-Focused Treatment," should be transferred to a setting able to provide comfort (e.g., treatment of a hip fracture).
- Non-invasive positive airway pressure includes continuous positive airway pressure (CPAP), bi-level positive airway pressure (BiPAP), and bag valve mask (BVM) assisted respirations.
- IV antibiotics and hydration generally are not "Comfort-Focused Treatment."
- Treatment of dehydration prolongs life. If a patient desires IV fluids, indicate "Selective Treatment" or "Full Treatment."
- Depending on local EMS protocol, "Additional Orders" written in Section B may not be implemented by EMS personnel.

Reviewing POLST

It is recommended that POLST be reviewed periodically. Review is recommended when:

- The patient is transferred from one care setting or care level to another, or
- There is a substantial change in the patient's health status, or
- The patient's treatment preferences change.

Modifying and Voiding POLST

- A patient with capacity can, at any time, request alternative treatment or revoke a POLST by any means that indicates intent to revoke. It is recommended that revocation be documented by drawing a line through Sections A through D, writing "VOID" in large letters, and signing and dating this line.
- A legally recognized decisionmaker may request to modify the orders, in collaboration with the physician/NP/PA, based on the known desires of the patient or, if unknown, the patient's best interests.

This form is approved by the California Emergency Medical Services Authority in cooperation with the statewide POLST Task Force.
For more information or a copy of the form, visit **www.caPOLST.org**.

NIDA Clinical Trials Network
The Tobacco, Alcohol, Prescription medications, and other Substance (TAPS) Tool

TAPS Tool Part 1

Web Version: 2.0; 4.00; 09-19-17

General Instructions:
The TAPS Tool Part 1 is a 4-item screening for tobacco use, alcohol use, prescription medication misuse, and illicit substance use in the past year. Question 2 should be answered only by males and Question 3 only be females. Each of the four multiple-choice items has five possible responses to choose from. Check the box to select your answer.

Name:_____

Birthdate:_____

1. In the PAST 12 MONTHS, how often have you used any tobacco product (for example, cigarettes, e-cigarettes, cigars, pipes, or smokeless tobacco)?

☐ Daily or Almost Daily ☐ Weekly ☐ Monthly
☐ Less Than Monthly ☐ Never

2. In the PAST 12 MONTHS, how often have you had 5 or more drinks containing alcohol in one day? One standard drink is about 1 small glass of wine (5 oz), 1 beer (12 oz), or 1 single shot of liquor. (Note: This question should only be answered by males).

☐ Daily or Almost Daily ☐ Weekly ☐ Monthly
☐ Less Than Monthly ☐ Never

3. In the PAST 12 MONTHS, how often have you had 4 or more drinks containing alcohol in one day? One standard drink is about 1 small glass of wine (5 oz), 1 beer (12 oz), or 1 single shot of liquor. (Note: This question should only be answered by females).

☐ Daily or Almost Daily ☐ Weekly ☐ Monthly
☐ Less Than Monthly ☐ Never

4. In the PAST 12 MONTHS, how often have you used any drugs including marijuana, cocaine or crack, heroin, methamphetamine (crystal meth), hallucinogens, ecstasy/MDMA?

☐ Daily or Almost Daily ☐ Weekly ☐ Monthly
☐ Less Than Monthly ☐ Never

5. In the PAST 12 MONTHS, how often have you used any prescription medications just for the feeling, more than prescribed or that were not prescribed for you? Prescription medications that may be used this way include: Opiate pain relievers (for example, OxyContin, Vicodin, Percocet, Methadone) Medications for anxiety or sleeping (for example, Xanax, Ativan, Klonopin) Medications for ADHD (for example, Adderall or Ritalin)

☐ Daily or Almost Daily ☐ Weekly ☐ Monthly
☐ Less Than Monthly ☐ Never

AMERICAN ACADEMY OF FAMILY PHYSICIANS

Social Needs Screening Tool

PROVIDER FORM (short version)

Patient Name: _____

Birthdate: _____

HOUSING

1. What is your housing situation today?[1]
   - ☐ I do not have housing (I am staying with others, in a hotel, in a shelter, living outside on the street, on a beach, in a car, abandoned building, bus or train station, or in a park)
   - ☐ I have housing today, but I am worried about losing housing in the future
   - ☐ I have housing

2. Think about the place you live. Do you have problems with any of the following? (check all that apply)[1]
   - ☐ Bug infestation
   - ☐ Mold
   - ☐ Lead paint or pipes
   - ☐ Inadequate heat
   - ☐ Oven or stove not working
   - ☐ No or not working smoke detectors
   - ☐ Water leaks
   - ☐ None of the above

FOOD

3. Within the past 12 months, you worried that your food would run out before you got money to buy more.[1]
   - ☐ Often true
   - ☐ Sometimes true
   - ☐ Never true

4. Within the past 12 months, the food you bought just didn't last and you didn't have money to get more.[1]
   - ☐ Often true
   - ☐ Sometimes true
   - ☐ Never true

TRANSPORTATION

5. In the past 12 months, has lack of transportation kept you from medical appointments, meetings, work or from getting things needed for daily living? (check all that apply)[1]
   - ☐ Yes, it has kept me from medical appointments or getting medications
   - ☐ Yes, it has kept me from non-medical meetings, appointments, work, or getting things that I need
   - ☐ No

UTILITIES

6. In the past 12 months has the electric, gas, oil, or water company threatened to shut off services in your home?[1]
   - ☐ Yes
   - ☐ No
   - ☐ Already shut off

A value greater than 10 when the numerical values for answers to the following questions are summed indicates a positive screen for personal safety.

PERSONAL SAFETY

7. How often does anyone, including family, physically hurt you?[1]
   - ☐ Never (1)
   - ☐ Rarely (2)
   - ☐ Sometimes (3)
   - ☐ Fairly often (4)
   - ☐ Frequently (5)

8. How often does anyone, including family, insult or talk down to you?[1]
   - ☐ Never (1)
   - ☐ Rarely (2)
   - ☐ Sometimes (3)
   - ☐ Fairly often (4)
   - ☐ Frequently (5)

9. How often does anyone, including family, threaten you with harm?[1]
   - ☐ Never (1)
   - ☐ Rarely (2)
   - ☐ Sometimes (3)
   - ☐ Fairly often (4)
   - ☐ Frequently (5)

10. How often does anyone, including family, scream or curse at you?[1]
   - ☐ Never (1)
   - ☐ Rarely (2)
   - ☐ Sometimes (3)
   - ☐ Fairly often (4)
   - ☐ Frequently (5)

Sum of questions 7–10: _____
Greater than 10 equals positive screen for personal safety.

ASSISTANCE

11. Would you like help with any of these needs?
   - ☐ Yes
   - ☐ No

Questions 1-10 are reprinted with permission from the National Academy of Sciences, courtesy of the National Academies Press, Washington, D.C.

Patient Name:_____

California Adult Tuberculosis Risk Assessment

Despite being preventable, tuberculosis (TB) disease continues to cause significant suffering and death in the state of California. Even with modern treatments, more than 1 in 6 Californians with TB die (bit.ly/cdc_tbca_data). TB is also a health disparity in California, with a disproportionate impact on people born outside the United States. **Identifying and treating persons with latent TB infection (LTBI) is the most promising tool to prevent TB disease.**

- **Use this tool to identify asymptomatic adults for LTBI testing.**
- **Do not treat for LTBI until active TB disease has been excluded.**
- **A negative tuberculin skin test or interferon gamma release assay does not rule out active TB disease.**

If a patient has symptoms of TB disease, including cough (for more than 2 weeks), fevers, night sweats, unexplained weight loss, or an abnormal chest x-ray consistent with TB disease, they should undergo further workup. **Contact your local TB control program** (https://www.ctca.org/locations.html) **if there is suspicion for active TB disease.**

LTBI testing is recommended if any of the boxes below are checked.
Only repeat TB testing if there is a new risk factor since last screening

☐ **Birth, travel, or residence** for at least 1 month, or frequent border crossing in a county with an elevated TB rate*
Interferon Gamma Release Assay (IGRA) is preferred over Tuberculin Skin Test (TST), especially for non-U.S.-born persons

☐ **Immunosuppression**, current or planned
HIV infection, organ transplant recipient, treated with biologic agents including TNF-alpha antagonist (e.g., infliximab, adalimumab, etanercept, others), steroids (equivalent of prednisone ≥15 mg/kg/day for ≥1 month) or other immunosuppressive medication

☐ **Close contact** to someone with infectious TB disease during lifetime

☐ **Homelessness or incarceration,** current or past
Persons experiencing homelessness or residing in high-risk congregate settings including homeless shelter or correctional facility during lifetime

Treat for LTBI if LTBI test result is positive and active TB disease is excluded.

☐ **None;** no TB testing is indicated at this time.

For more information about using this tool and for the most current version, go the TB Risk Assessment page (cdph.ca.gov/tbriskassessment).

***Countries with elevated TB Risk**
This includes many countries in Asia, Africa, Central America, Eastern Europe, Mexico, the Middle East, and South America. "Elevated TB rate" is defined as greater than or equal to 10 TB cases per 100,000 persons by National TB Controllers Association (bit.ly/tbcontrollers). The World Health Organization (WHO) maintains a list of country-specific annual TB incidence in its Global Tuberculosis Report (bit.ly/who-globaltb-data), as well as a searchable TB country profile based on these data (bit.ly/worldhealthorg_data). A quick approximation is to consider all countries outside of the United States, Canada, Australia, New Zealand, and countries in western and northern Europe to have "elevated" TB rates.

NAME:_____ DOB:_____

PARTNER VIOLENCE SCREEN (PVS)

Instructions: Answer following questions.

1. Have you been hit, kicked, punched, or otherwise hurt by someone within the past year? If so, by whom?
   No Yes, _____
2. Do you feel safe in your current relationship? No Yes
3. Is there a partner from a previous relationship who is making you feel unsafe now?
   No Yes
